

# Covenant Academy

A distinctly Christian school offering Classical education from a Biblical perspective.

---

At Covenant Academy, our athletic program is more than a pursuit of academic and physical excellence—it is a testament to the transformative power of God's Word. Rooted in a biblical foundation, we commit all that we do to the glory of God, believing that every practice, every game, and every moment of discipline becomes an opportunity to reflect His grace. Our student-athletes and coaches are called not just to excel in sports and studies, but to embody the character of Christ marked by humility, perseverance, and integrity. They carry with them a higher calling to be ambassadors of what is true, good, and beautiful by letting their lives on and off the field serve as ambassadors of Christ.

At the heart of our mission lies a deep commitment to community, where the Ram Athletic Booster Club (RABC) stands as a vital pillar. With your prayerful support and generous partnership, we can empower our athletes to grow in both skill and spirit, meeting every challenge with the courage and bold faith inspired by Scripture. Together, let us "dream big" for Covenant Academy—transforming our athletic programs into a beacon of Christ's love and excellence in our community.

Regardless of the level at which you choose to engage, your contribution will directly enhance the experience and success of every student-athlete at Covenant Academy.

As we strive to expand and elevate our athletic program for the future, we have identified several desired capital improvements, including:

- **A new mower for our athletic fields** – ensuring our playing surfaces remain pristine and safe.
- **A new bus** – dedicated to efficient and reliable transportation.
- **Expanded bleachers with a state-of-the-art press box for the football/soccer stadium** – offering an enhanced experience for fans and valuable media opportunities.
- **Baseball and softball fields** – fostering a superior playing environment.
- **A comprehensive athletic facility** – featuring locker rooms, a weight room, a band room, and dedicated spaces for cheerleading and wrestling.

We invite you to prayerfully consider uniting with us. Together, we can "dream big" and transform Covenant Academy athletics into one of the most distinguished programs in our community.

Go Rams!
